

# FLOORBALL FOR FUN

New session starts 7<sup>th</sup> Jan 2012 Farnham Sports Centre

## *A New Form of **hockey** Played on Small Pitch*

**Floorball** is a new form of mixed hockey that is sweeping across Europe, it's **easy to play**, great **fun** and is great exercise. Floorball is played in a gym with a light-weight ball and lightweight sticks.

By popular demand we are starting a floorball session for adults each term time Saturday at 4:30pm Farnham Sports Centre from 7th January. The sessions are more about enjoying sport, we won't be entering any tournaments so don't worry if you've never played before. Only a basic level of fitness is required. All equipment will be provided, just come along wearing trainers. We would like a contribution of about £4 to cover the cost of the hall.

And the kids can play too! The 7-11 year olds session takes place at FSC at the same time.

Small print: to keep the cost down we are not providing personal accident insurance so all players play at their own risk.
